Mayor's Message

Happy Spring River Heights! I wanted to personally thank each of you for helping to keep our roads safe this winter. We had very few issues with parked cars and sidewalks were kept relatively clean. Your efforts are greatly appreciated. Now that spring is here, I hope you will all find some time to feel the sun on your faces and enjoy the warm air. We live in such a beautiful place and I am truly grateful for such wonderful neighbors and friends. Thank you all for making our city a safe and enjoyable place to walk, bike, and gather. Looking ahead, I wanted to make you aware of city business that will be discussed and voted on in the next 6 months. Please come and participate in the conversation and voice your concerns and desires for our future.

- ◆ 2022 budget spending will be discussed over the next few months and voted on in May.
- ◆ The general plan will be discussed and revised over the next 5 months.
- ◆ Elections for mayor and 2 council seats will be open this year. Filing dates are June 1-7.

Keep up to date on current agendas as items come up. The Council meets on the 1st and 3rd Tuesdays.

Here's to a better year!

Emergency Preparedness

The time to prepare is now!

The River Heights Emergency Preparedness Committee encourages you to start preparing your family for any sort of emergency that could befall your family.

For the month of April : Purchase an extra backpack to use for a 72 hour kit. One for each member of the family is advised, but if you can only start with one do it! Also put some water bottles in it and a basic first aid kit.

For the month of May : Purchase food to put in your backpack you bought in April, and add some extra clothes.

For the month of June : Purchase personal care items and extras items (diapers) you need for children and put it in your backpack.

More to follow in next newsletter.

Contact Sharlie Gallup if you are interested in helping our community be prepared in the time of a disaster.

Celebrate Arbor Day

April 30th

Plant a Tree! Can one ever have too many trees? Celebrate Spring! Put on your sunglasses and grab a shovel - plant a tree with your kids, spouse, friends or dog. Whether you find a tree from a local nursery or the Arbor Day Foundation Tree Nursery, nothing says Arbor Day like buying and planting a tree. The tree you plant will benefit your whole community and help River Heights become a Tree City USA!

Planning to Build Something on Your Property?

Don't forget to get a Zoning Clearance Permit before you build. Applications are available at the City Office or website. Codes are in place to protect you, as well as your neighbors and future property owners. Some projects that must have a permit before building are: sheds, decks, storage buildings, home additions, porches, garages (attached and detached) and free standing solar panels.

Fences no longer require a permit, however, check our website to make sure you build it according to code.

Consumer Confidence Report

The United States Environmental Protection Agency and the Utah Division of Drinking Water requires the city to perform many tests on our culinary water to ensure that it is safe for you to drink and use. A copy of the Consumer Confidence Report is available for review on the city's website.
